KEY BUSINESS INSIGHTS:

- Highest sales were recorded in November 2011.
- The United Kingdom generated the highest revenue and customer count.
- Top-selling products contributed a significant share of total sales.
- The top 10 customers generated a large portion of total revenue.
- Customer purchases peaked around 12 PM–1 PM.
- Thursday had the highest number of orders, while Sunday had the lowest.
- Average Order Value increased toward the end of the year.
- Sales and quantity sold peaked during the holiday season.

BUSINESS RECOMMENDATIONS:

- Increase marketing campaigns before the holiday season.
- Maintain higher inventory for top-selling products.
- Reward high-value customers through loyalty programs.
- Expand marketing efforts beyond the United Kingdom.
- Optimize staffing during peak ordering hours.
